Hello All Members & Rotaractors,

This is a quick reminder to let you all know that this year we have a candidate / Nominee for the "Shine on Awards".

The Shine On Awards have been introduced to recognise the outstanding service to the community of persons with disabilities. The awards recognize the outstanding community service by people with disabilities who, by their actions, serve as 'Shining Examples' to the community. Through their commitment to helping others in the Rotary spirit of 'Service Above Self' they provide a significant contribution to the quality of daily life of others in the local and wider community.

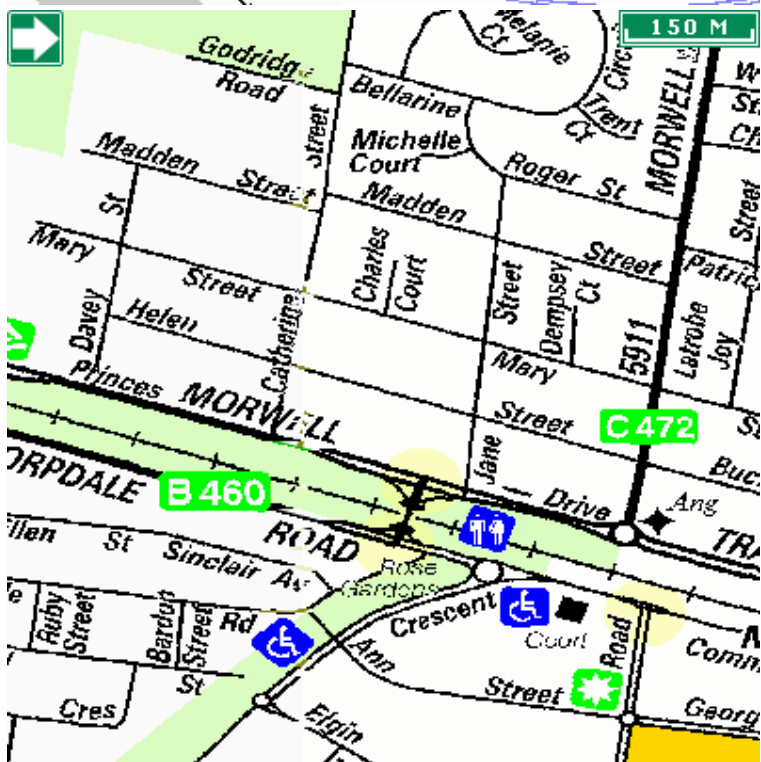

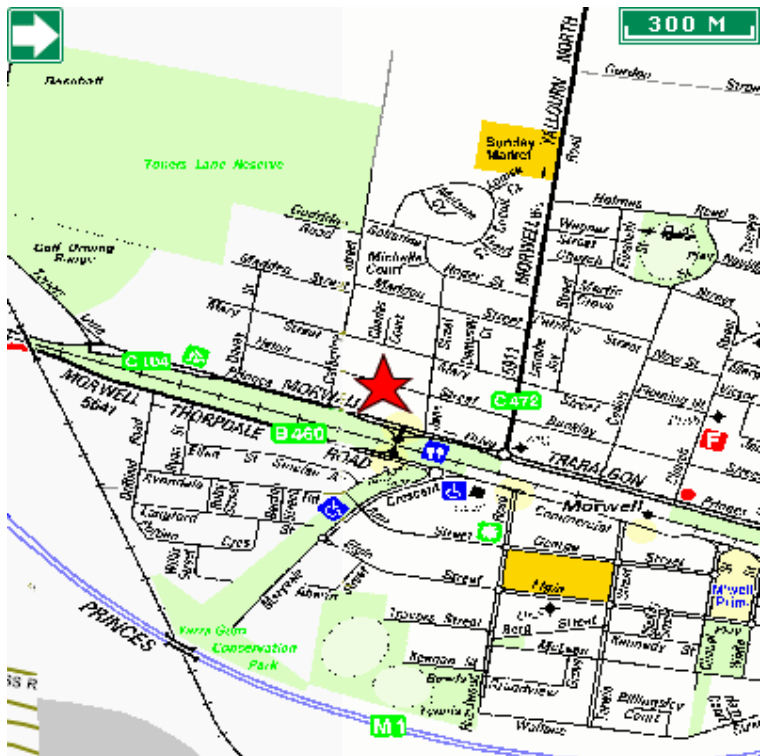

The candidate chosen by both the Rotary & Rotaract clubs is Dean Calder. Dean is legally blind and is currently a member & joint President of the Clayton Rotaract Club. He is also involved with the following, Victorian Blind Cricket Association (recently organised the joint cricket match between Rotaract/Rotary & VBCA), Victorian Goal Ball Association, Blind Sports Victoria & Swish Victoria (Blind Table Tennis).

Vocational Director (The Rotary Club of Clayton)

Some thoughts for the week.

A leader's challenge is to help individuals reach beyond what they think they can do in order to attain that which they thought was impossible

We were born with two things, existence and opportunity, out of which we can make a successful life! Because life is not what we find, it's what we create.

JOKE FOR THE WEEK

There's a parrot on the plane

On reaching his plane seat a man is surprised to see a parrot strapped in next to him. He asks the stewardess for a coffee where upon the parrot squawks "And get me a whisky you cow!" The stewardess, flustered, brings back a whisky for the parrot and forgets the coffee.

When this omission is pointed out to her the parrot drains its glass and bawls "And get me another whisky you idiot". Quite upset, the girl comes back shaking with another whisky but still no coffee.

Unaccustomed to such slackness the man tries the parrot's approach "I've asked you twice for a coffee, go and get it now or I'll kick you".

The next moment, both he and the parrot have been wrenched up and thrown out of the emergency

exit by two burly stewards. Plunging downwards the parrot turns to him and says "For someone who can't fly, you complain too much!"

Meeting Closed on the 26th March at 7.35pm

SHEPPARTON CONFERENCE

Three (3) days until Shepparton, to celebrate our “25th Anniversary”

Important Reminders.

The Shepparton Conference begins with a “Sunset Dinner” served in Queens Gardens, located on Welsford Street in front of the Eastbank Centre commencing at 6:00 pm on Thursday 29th March 2007. Catering will reflect the “Foods of the World” served from multiple Marquees around the park. Desserts, tea and coffee will follow the Opening Ceremony, which is scheduled to begin, **on staging in the Gardens**, at 7:30 pm and end at 9:20 pm.

Beer, wines, soft drinks and water will be served throughout the night, with the exception of during the actual Opening Ceremony.

All other plenary sessions will be held in the Eastbank Centre on the west side of Welsford Street.

Registration at the Eastbank Centre will be available from midday Thursday, 29th March 2007

Lunch on Friday will be a BBQ in Queens Gardens.

Dress Code

I am encouraging delegates to dress smart casual at all times except at the Saturday night Dinner, see below. **At the Thursday night dinner and opening in the park, keeping in mind that the night air may be a little chilly, male delegates should consider wearing a jacket/pullover and the ladies a jacket or wrap.**

Saturday night is your opportunity to ‘dress up’ and to let your hair down as Frankie J Holden and Wilber Wilde provide the entertainment. The theme for Saturday night is “Something Silver” and many clubs are well advanced with planning for their theme dress. Program

The outline program is now available on our district website, www.9810.rotary.org.au, by clicking District Conference on the Main Navigation and scrolling down to the Program link.

Sponsors

Whilst Mitre 10 are our principal Conference Sponsor others providing tremendous support are Hagemeyer, Michaels Camera and Video, Steamatic, Johns Lyng Builders, the Retzos Group (KFC) and Leader Newspapers.

Our valued sponsors provide much needed support to the District. I encourage all Rotarians and the family of Rotary to make use of the goods and services offered by them.

MESSAGE from Carrol Farmer – STAMPS

URGENT- URGENT- URGENT

(DG Bob. This is my challenge, each club aim to bring 2 kilos of STAMPS to the conference, this would mean a collection of about 100 Kilograms or \$3,000.00 plus.)

The District Stamp Fund appears to be still lounging in holiday mode!! Funds are currently just over \$3000.00 - well below last year.

Please track down schools, universities large businesses and let's REV UP!! Technology is taking over - be quick!!

ALL envelopes/stamps of any denomination/country can be taken to the next President's meeting which is on Friday, March 2nd and given to Pres. Gonny of the RC of Wantirna - or give me a ring and I'll come & collect.

Keep the (wheelchair) wheels turning PLEASE. C. Farmer.

GREAT SUGGESTION from Pres Terry Carroll – RC of MOORLEIGH MOORABBIN

Very rarely does one get a chance to think in today's rush, however yesterday (Saturday 24th March) at Croydon in the pouring rain recycling paint, oils etc; to earn \$\$\$ for the RC of Moorleigh-Moorabbin a thought came to me that may have an immense impact on the conference venue, people & the image of Rotary in general.

I know this idea comes a little late but I know that your support through RA RA's Ramblings & an email to the various President's in District 9810 who will no doubt cooperate & strike a blow for Rotary – I had considered just to use it for my Club, however if we are to survive & prosper in these times we should do things for the benefit of all.

After the preamble here is the proposition – we all know the impact the drought has had on not only us here in Melbourne but what about communities as the one we are visiting – all I will ask of my Club is that those attending the Conference bring a (4) litre plastic bucket put it in your shower, collect used water & give to the Motel proprietor to help keep his garden alive or whatever.

Simple, effective & a huge opportunity to project Rotary's image within the community.

(DG Bob – I think this is great idea and perhaps one we can gain some media mileage upon, I urge your support of Terry's idea)

4 WAY TEST PUBLIC SPEAKING COMPETITION

After three heats and a semi-final held at SCOPE KNOX Centre we now have three finalists for the District 4 Way Test Public Speaking Contest. The final will be held at our District Conference in Shepparton, just prior to the lunch break on Friday 30th March 2007. Please give our three finalists, listed below, your full support at Conference.

RYPEN – VERY URGENT ANNOUNCEMENT- NEW GENERATIONS CHAIRS –NB

The RYPEN committee met recently, and it was highlighted that a delay in sending out information to clubs could cause clubs to be slow to respond and approach secondary schools for student sponsorship to attend the RYPEN camp. This coupled with the timing of the District conference and school holidays, may impact on camp numbers, as RYPEN is being held the week following the students return to school. This may lead to minimal numbers of students attending the camp.

I therefore encourage **all 'clubs' to act promptly** to approach schools within their club 'catchment' areas to promote and source students to attend.

A reminder also to clubs that the application forms and relevant information is now updated on the district Rotary website, and noting the return address for applications is via PP Bill Sides, 25 Mackintosh Road, Wheelers Hill 3150.

Please give this request your urgent attention to ensure the success of RYPEN 2007

WALK THE TORQUE 21**

WALK THE TORQUE 21 – Press Release

Manningham Council, together with the Rotary Club of Doncaster Sunrise, is inviting people to participate in Walk the Torque 21 - a community event helping keep young people alive to drive.

To be held at Rieschiecks Reserve in Doncaster, the event will run over 21 hours, from midday on Saturday 21 April to 9am on Sunday 22 April 2007.

Manningham Mayor, Cr Ron Kitchingman, said Walk the Torque 21 is a community and fundraising event that will provide funding for local students to participate in driver education programs.

“The aim of Walk the Torque 21 is to raise funds to enable year nine, 10 and 11 students in Manningham to access driving programs which help them to be better prepared, and safer, drivers,” said Cr Kitchingman.

“This means getting teenagers involved in both class room and practical sessions, such as those offered by Melbourne Traffic Education Centre (METEC), where students will learn the risks and choices involved in being a driver or passenger in a car,” he said.

Cr Kitchingman said this event has been organised as part of the work of the Drive Another Day (DAD) committee – a steering group set up by Manningham Council in 2004 in response to the number of P-plater fatalities on local roads.

“Rotary Club of Doncaster Sunrise, which is represented on the DAD committee, kindly offered to organise this event and assist the local community in reducing the number of young people involved in fatal and serious injury crashes in Manningham,” said Cr Kitchingman.

Rotary Club of Doncaster Sunrise member, Jamie Woodford, said the Club was delighted to assist DAD and the community by organising this event.

“The concept of Walk the Torque 21 is simple. Participate, have fun and raise money for a good cause,” said Mr Woodford.

“To take part you need to register a team of ten or more people and collectively walk, run or crawl for 21 hours from midday on Saturday 21st overnight to 9am on Sunday 22nd April.

“Each team will be required to secure sponsorship and build a car to carry around the track which, just like Formula 1, will be decorated and carry advertising for your sponsors. The aim is for each team to raise at least \$1,000 through sponsorship and good old-fashioned fund raising.

“It will be an exciting 21 hours filled with prizes, a relay event and free entertainment, and is a good excuse to camp out with your friends all night.

“Ladies and gentleman, boys and girls, you need to start your engines NOW. Get your schools, your sporting groups, and your family and friends involved and register straight away,” he said.

Each team will be required to pay an entry fee of \$20 to cover the cost of fund raising books, information, and the team packs that will be provided.

Hi Rotary friends, and other friends,

I am wearing my Park Players Secretary's hat at the moment to urge you to come and see our production of "High Society" this year. It's a fabulous Cole Porter musical and the stage version is funnier than the movie ! Tracy the leading lady gets to sing, and we have Rachel Juhasz playing that role. Some of you know her from our Rotary Concerts and other gigs. She's fantastic in this role.

Our club member, David Ayliffe plays the part of Tracy's father, somewhat philandering, but streetwise.

PP Tony Gibson is making the sets designed by Anne, PP Bill Mudford will happily greet you Front of House and past member Graham Whiteside and Dawn (joint PHF recipients) will be on stage (Graham) while Dawn is the overall producer.

Dates are 4th, 5th and 6th of May.
