Presidents Report

Hello Team,

How are you all this week?

We only had a small meeting last week, but it was a good meeting. Why do I hear you ask? Because it gave us a chance to have our little discussions with each other at a personal level and provide good feedback on projects or activities being planned. I always like these discussions because it gives me a chance to learn more about Rotary and how things should work. These discussions are also good because they can be very constructive and bring up very valuable points of interest.

I have been enjoying reading the history about the Rotary Club of Clayton that Neil has been putting in the bulletin each week. It goes to show how much work the club has put in to the community and overseas over the last 43 years.

Just a quick reminder that the yearly subs of \$235 are now due and should be forwarded to either Dianne Day or Neil Rickard as soon as possible.

Upcoming dates to keep in mind are:-

18/08 – Board Meeting.

25/08 – Club Assembly.

For further details of the above dates, please see your copy of "Barnes' Storming" or "District Dates" which are being e-mailed weekly to every member of the club.

That is all for now from the Prez for this week and team, keep up the good work.

Newly Wed's who makes the Coffee?

A young couple just back from their Honeymoon; wake up on the first morning where they both have to get ready for work.

He asks "darling are you going to get up and make the coffee"? She replies "oh no darling that's your job"

He points out that in his parents house his mother did "all the cooking including brewing the coffee" and his father did all the gardening and maintenance around the house.

She points out it was the same in her parents house except her father always made the coffee.

They lay there and the discussion ends in a stalemate!

Finally she says "I can prove to you, that in the Bible it states it is a mans job to make the coffee"

He agrees if she can show him that in the Bible, it's the job of a man to make the coffee; he will make it this morning and every other time.

She gets out of bed brings back the Bible and opens it up at **HEBREWS**.
