Presidents Report

Members and friends of Clayton Rotary Club

Tonight, we have an inhouse guest speaker many thanks Michael, for your insight into computer use age and where data / info can be warehoused etc.

The club has been busy this week with 2 BBQ' s for Metro which kept us very busy on our feet handing out Snags in bread, for the delay caused by Works on the Cranbourne and Pakenham train lines, many thanks to all for helping out and Metro for creating the opportunity for fund raising.

I also attended the Oakleigh Market yesterday which was quiet and cold in the morning, but with the warming up in the weather hopefully coming soon we should start to see more people coming.

Rotary Four Way Test

"Of the things we think, say or do:

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?"

Thought for the week:

Even a happy life cannot be without a measure of darkness, and the word happy would lose its meaning if it were not balanced by sadness. It is far better taking things as they come along with patience and equanimity. Carl Jung

Stay well and keep warm.

Yours in Rotary

Jon

Joke of the Week

A woman was driving home from a business trip when she saw an elderly woman walking on the side of the road in a remote area.

She stopped the car and asked the woman if she would like a ride. With a silent nod of thanks, the woman got into the vehicle.

Resuming the journey, the driver tried in vain to make small talk with the elderly woman. She just sat silently, looking intently at all she saw, studying every detail, until she noticed a brown bag on the seat next to the driver.

“What’s in the bag?” asked the old woman.

Looking at the brown bag, the driver said: “It’s a bottle of wine. I got it for my husband.”

The old woman was silent for another moment or two, then speaking with the quiet wisdom of an elder, she said: “Good trade.”

a walk in the park

Dear Family and Friends,

Once again Ian and I are taking "A Walk in the Park" to raise much needed money towards research for Parkinson's. This major event will be on Sunday 26th August, at 10 a.m. from Federation Square.

Even though there have been improvements in medication and treatments we wish to make a difference to this cause as it is close to our hearts, as I have been living with Parkinson's for over 18 years.

With thanks to all our supporters we are hoping to raise over \$10,000 again this year towards a cure. To help us reach our goal for 2018, click the link below to view my fundraising page, and share my story.

Help support and raise awareness for those like myself who are living with Parkinson's.

Please sponsor me at my fundraising page:
