## Rotary Four Way Test

"Of the things we think, say or do:

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?"

Rotarians Against Malaria (RAM) is a volunteer-run organisation working to eliminate malaria. Fifteen years ago, malaria killed a child every 30 seconds. Under the Millennium Development Goals, however, considerable progress has been made in preventing, diagnosing and treating malaria. As a result, deaths have fallen by 60 percent. Now, under the ambitious Sustainable Development Goals, they are aiming to reduce malaria cases and deaths by a further 90 percent by 2030.

RAM was started in the early 1990s from a proposal by Dr Brian Handley of the Rotary Club of Chatswood (NSW) who was concerned about the surge in malaria incidence after the discontinuation of DDT-based malaria control programs. RAM was launched in 1995 in Tulagi, Solomon Islands by the Rotary Club of Honiara and Rotary District 9600. In 1997 Ron Seddon and The Rotary Club of Port Moresby initiated the highly successful Adopt a Village program to encourage Australian Rotary Clubs to fund nets in PNG on a village-by-village basis. The Adopt A Village program was then successfully implemented in the Solomon Islands. In 1998 Rotary Australia World Community Service adopted RAM as an approved multi-district project. In 2005, RAM expanded its support to the National Malaria Control Program in Timor Leste. There are now RAM committees in each of the 21 Rotary districts in Australia, which raise funds to support programs to control and eliminate malaria.

### Meeting Notes:

- Ralph Zuccaro reminded the club that we have two more sausage sizzles for Metro Trains at Dandenong Station on, Friday 31<sup>st</sup> August (4:00 pm to 7:00 pm) and Friday 7<sup>th</sup> September (4:00 pm to 7:00 pm). If you would like to support at these two additional BBQ's please let Ralph know.

- Sam Oddo informed the members that the AGM for the Warringga Scout Group will be on Tuesday 28<sup>th</sup> August with everyone invited to attend. It is a 6:00 pm start for pizza with the AGM starting at 7:00 pm.
- Dianne Sides reported on the Chisholm Volunteer Awards she attended on behalf of our club to see and support Sharyn Gordon who was awarded a Chisholm Volunteer Award. Well done to Sharyn for this honour.
- Glenys Pattison spoke about and provided feedback on her attendance at the Kingston Council Meeting for the Homelessness Project. More details will be provided after the next Board Meeting.

## The Object of Rotary

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## Foundation Facts

### THE ROTARY FOUNDATION WEEKLY MESSAGES (By Rotarians for Rotarians)

#### WHAT IS THE ROTARY FOUNDATION'S ANNUAL FUND?

The Rotary Foundation is funded in two different ways: The Annual Fund and the Endowment Fund. The primary source of unrestricted support for the programs of The Rotary Foundation, the Annual Fund supports programs in more than 200 geographical regions. From digging clean water wells for villages in Africa to reaching basic literacy skills to children in Latin America, during any given moment in a day, thousands of Rotarians volunteer their time and expertise to ensure that all contributions given to the Annual Fund are spent wisely on quality Rotary projects. In the 2012-13 Rotary year, US\$115 million was donated to The Rotary Foundation's Annual Fund (Making History in Rotarian generosity). The Annual Fund is comprised of donations from Rotarians, friends of Rotary, corporations, workplace giving vehicles and can be matched by corporate matching gifts to leverage your donation. There is even a place on the rotary website that allows you to see if your company has a charitable matching program...check it out at: [www.rotary.org](http://www.rotary.org)

## District 9810 News

### Rotarian Action Group for Family Safety - Call for Expressions of Interest in a District Committee

A Rotarian Action Group (RAG) is an autonomous group of Rotarians, family members, program participants and alumni who are interested in a particular field, such as microcredit or water and sanitation. Group members share their expertise and interest by collaborating with clubs and districts on service projects.

The most recent RAG to be approved by the Rotary International Board is the RAG for Family Safety - the aim of which is to encourage and support clubs and districts in the prevention and elimination of family violence.

District 9810 is represented in this RAG by PDG Tony Monley. We now wish to create a network of interested Rotarians in our District to encourage and support local projects in the area of family violence prevention. If you would like to be involved, please contact Tony at [acmonley+rotary@gmail.com](mailto:acmonley+rotary@gmail.com)

## Joke of the Week

Two magistrates were rolling home from a reunion when they realised they were drunk and singing loudly in the street.

They decided that according to the law they would have to be charged with being drunk and disorderly.

They would have to appear in court next day.

The first appeared before his friend, pleaded guilty and was fined \$50. They swapped places and the fine was \$100.

“Hey,” protested the magistrate standing in the dock. “You were only fined \$50.”

“Yes,” said the magistrate on the bench. “But this offence is becoming too prevalent. You are the second rowdy drunk to appear before this court this morning.”

## Rotary International News

### Rotary announces US \$96.5 million to end polio

*By Rotary News*

EVANSTON, Ill. (August 15, 2018) — Rotary today announced nearly \$100 million in grants to support the global effort to end polio, a vaccine-preventable disease that once paralyzed hundreds of thousands of children each year.

The announcement comes as Nigeria marks two years without any reported cases of wild poliovirus, following four reported cases in 2016.

“The fact that no new cases of wild poliovirus have been detected in Nigeria points to the improved surveillance and rapid response protocols Rotary and its Global Polio Eradication Initiative partners have established, particularly in insecure and inaccessible areas,” said Michael K. McGovern, chair of Rotary’s International PolioPlus Committee. “While this progress is promising, it’s time to redouble our efforts so we can continue to maintain the political and financial support necessary to end polio for good.”

While significant strides have been made against the paralyzing disease, wild poliovirus is still a threat in parts of the world, with 10 cases in Afghanistan and three cases in Pakistan this year so far. As long as a single child has polio, all children are at risk, which underscores the need for ongoing funding and political commitment to eradication.

To support polio eradication efforts in countries where polio remains endemic, Rotary is allocating the majority of the funds it announced today to Afghanistan (\$22.9 million), Pakistan (\$21.7 million), and Nigeria (\$16.1 million).

Further funding will support efforts to keep 12 vulnerable African countries polio-free:

- Cameroon (\$98,600)
- Central African Republic (\$394,400)
- Chad (\$1.71 million)
- Democratic Republic of the Congo (\$10.4 million)
- Guinea (\$527,300)
- Madagascar (\$690,000)
- Mali (\$923,200)
- Niger (\$85,300)
- Sierra Leone (\$245,300)
- Somalia (\$776,200)
- South Sudan (\$3.5 million)
- Sudan (\$2.6 million)

Africa will also see \$5.8 million in funding for surveillance activities and \$467,800 for technical assistance. Additional funding will go to Bangladesh (\$504,200), Indonesia (\$157,800), Myanmar (\$197,200), and Nepal (\$160,500), with an additional \$96,300 funding surveillance in Southeast Asia. The remainder of the funding (\$6.6 million) will go to the World Health Organization (WHO) for research activities.

Rotary has committed to raising \$50 million a year to be matched 2-to-1 by the Bill & Melinda Gates Foundation, yielding \$450 for polio eradication activities over a three-year period. To date, Rotary has contributed more than \$1.8 billion to fight the disease, including matching funds from the Gates Foundation, and countless volunteer hours since launching its polio immunization program, PolioPlus, in 1985. In 1988, Rotary became a core partner in the Global Polio Eradication Initiative with the WHO, UNICEF, and the U.S. Centers for Disease Control and Prevention. The Gates Foundation later joined. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases in 1988 to 22 confirmed in 2017.

## Challenge to Lead Program

# How many sausage sizzles do you need to earn \$500?

The **Rotary Club of Doncaster** is seeking referrals from District Clubs for participants in their *Challenge to Lead* Program. With each successful referral, the RC of Doncaster will pay the referring club **\$500**. That's a lot of sausage sizzles!

### Why?

Throughout the District there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program. It's an easy fund raiser for a Club.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

### What is it?

The *Challenge to Lead* Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup> October, 2018**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

In 2014, 2015, 2016 and 2017, participants came from a wide range of organisations including local government, multinational companies, not for profits (NFPs), statutory authorities and small to medium sized businesses (SMEs) and the program received many ringing endorsements.
