Presidents Report

To all,

Thank you, those members who attend our first meeting, last week and enjoyed the BBQ dinner and fellowship. It was a very warm night (Temperature) but we seemed to stay cool under the air conditioner. We had a quick general discussion to try and catch up on what has been happening over the Christmas period.

Rotary Four Way Test

"Of the things we think, say or do:

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?"

This week there is no meeting and we will see you all on the 4th February back at the Clayton Hotel.

Yours in Rotary,
Jon

Make Ups = None.

This week we celebrated our first meeting back with a BBQ at the home of Jon & Phuong Breisch, which was followed by a quick general meeting and discussion.

In attendance from our club was Warren, Glenys, Jon, Bill, Dianne, John and Michael.

Meeting Notes:

- A reminder to the members that we need to start filling in the roster for the Oakleigh Market for 2019. The dates for 2019 have been sent to all members by email asking them to pick a date which suits them. Please see Sam for further details or adding your name.
- We had a reminder of the Multi District Conference to be held at the Melbourne Convention Centre on the weekend of 15-17 February 2019. If you are interested in attending please let John Barnes know. For further information, click the link: <http://www.rotaryconference.org.au/>
- Jon Breisch & Warren Fricke informed the members that Val Manuelpillai has resigned from the club, but not Rotary due to his move to Hobart. Val has advised that he will be joining the **RC of Salamanca**, but will come and visit us during his trips to Melbourne. It is very sad to see Val leave as he is a terrific person and was a valid member of our club taking on some of the big jobs and positions in the club, like Foundation & Community Chairs. We wish both Val and Mathie good luck with their new ventures.
- Jon Breisch announced that due to Val Manuelpillai leaving the club a position has opened up for both a Board position and Foundation Chair. If you are interested in this position please see President Jon.
- Warren Fricke provided an update on our current financial standings and also provided an update that money from the Golf Parking has been paid to the Wurringga Scout group for their share of the work. \$327 has been used to buy Christmas gifts for the Stepping Stones Adolescent Unit at Monash and we also received our 4th Qtr. payment from the RC of Oakleigh for our support at the Oakleigh Market.
- After a joint discussion with the members present, it has been decided that there will be no meeting on the 21st January and the first meeting back will be Monday 4th February at the Clayton Hotel. This meeting will give the members the opportunity to discuss further with regards to the possible merger and give us preparation for the joint meeting planned with the Rotary Clubs of Huntingdale and Oakleigh on Thursday 7th February.

Foundation Facts

THE ROTARY FOUNDATION WEEKLY MESSAGES (By Rotarians for Rotarians)

WHAT IS A ROTARY FOUNDATION GLOBAL GRANT SCHOLARSHIP?

Established in 1947, the original Ambassadorial Scholarship program, valued in excess of \$20,000 was designed to further international understanding and friendly relations among people of different countries. With the launch of the Rotary Grants model, scholarships are now used to fund study by graduate students whose career goals support an area of focus. The funding is the same as a Humanitarian global grant with a minimum scholarship amount of US\$30,000. Upon returning home, Rotary Scholars share with Rotarians and others their experiences that led to a greater understanding of their host country, and what career they will go into in order to meet the six areas of focus and spread good will and understanding.

International Fellowship of Cricketing Rotarians Melbourne Festival

Sunday 20th to Friday 25th January 2019

The International Fellowship of Cricketing Rotarians (IFCR) is one of the most popular of all Rotary Fellowships with a membership now touching 1350.

Melbourne has the honour of hosting this festival from January 20 next year. We will follow in the footsteps of previous festivals in Christchurch (2017), Nottingham (2014), Vapi in India (2012), Durban (2010), Colombo (2007) and Hunter Valley (2004).

Registrations include 185 players from 9 countries and 85 non-players. Cricket games will be played at Caulfield Park and East Caulfield Reserve from Monday January 21 through to Friday January 25.

On Wednesday 23 there will be a game at the spiritual home of Australian IFCR at Strath Creek which is 70k from Melbourne.

A novel feature of this festival is that players will play in mixed teams. The spirit of cricket and the fellowship of Rotary will be assured across all competing countries.

The Opening Dinner at the MCG on Sunday night January 20 will have one of Australia's leading sports commentators as guest speaker. The Friday night Closing Dinner will feature leading cabaret performer, Marney McQueen.

All in all, it will be a great week of cricket, fun, entertainment and fellowship.

Joke of the Week

A doctor who had been seeing an 80-year-old woman for many years retired. At her next visit, the new doctor looked up a list of medicines prescribed for her.

As the young doctor was scanning these, he realised she had a prescription for birth control pills. "Mrs. Smith, do you realise these are birth control pills?" he asked.

"Yes, they help me sleep at night," was the calm reply.

"Mrs. Smith, I assure you there is absolutely NOTHING in these that could possibly help you sleep!"

She reached out, patted the young doctor's knee and said: "Yes, dear, I know that. But every morning, I grind one up and mix it in the glass of orange juice that my 16-year-old granddaughter drinks. And believe me, it helps me sleep at night."

Connecting the world

By Arnold R. Grahl & Photos by Alyce Henson

2019-20 RI president announces his presidential theme

Rotary International President-elect Mark Daniel Maloney explained his vision for building a stronger Rotary, calling on leaders to expand connections to their communities and to embrace innovative membership models.

Maloney, a member of the Rotary Club of Decatur, Alabama, USA, unveiled the 2019-20 presidential theme, Rotary Connects the World, to incoming district governors at Rotary's annual training event, the International Assembly, in San Diego, California, USA, on Monday.

"The first emphasis is to grow Rotary — to grow our service, to grow the impact of our projects, but most importantly, to grow our membership so that we can achieve more," Maloney said.

Maloney believes that connection is at the heart of the Rotary experience.

"(Rotary) allows us to connect with each other, in deep and meaningful ways, across our differences," Maloney said. "It connects us to people we would never otherwise have met, who are more like us than we ever could have known. It connects us to our communities, to professional opportunities, and to the people who need our help."

Maloney also called on every Rotary and Rotaract club to identify segments of their community not represented in their club by creating a membership committee with diverse members.

"Through Rotary, we connect to the incredible diversity of humanity on a truly unique footing, forging deep and lasting ties in pursuit of a common goal," he added. "In this ever more divided world, Rotary connects us all."

Maloney urged leaders to offer alternative meeting experiences and service opportunities to make it easier for busy professionals and people with many family obligations to serve in leadership roles.

“We need to foster a culture where Rotary does not compete with the family, but rather complements it,” Maloney said. “That means taking real, practical steps to change the existing culture: being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.”

Maloney said many of the barriers that prevent people from serving as leaders in Rotary are based on expectations that are no longer relevant.

“It is time to adapt, to change our culture, and to convey the message that you can be a great district governor without visiting every club individually, and a great president without doing everything yourself.”

Relationship with the United Nations

During 2019-20, Rotary will host a series of presidential conferences around the world, focusing on Rotary’s relationship with the United Nations and the UN’s sustainable development goals that many Rotary service projects support. More information will be available in July.

In 2020, the United Nations will celebrate the 75th anniversary of its charter and its mission of promoting peace. Rotary was one of 42 organizations the United States invited to serve as consultants to its delegation at the 1945 San Francisco conference, which led to the UN’s charter. For decades, Rotary has worked alongside the United Nations to address humanitarian issues around the world. Today, Rotary holds the highest consultative status that the UN offers to nongovernmental organizations.

“Rotary shares the United Nations’ enduring commitment to a healthier, more peaceful, and more sustainable world,” Maloney said. “And Rotary offers something no other organization can match: an existing infrastructure that allows people from all over the world to connect in a spirit of service and peace and take meaningful action toward that goal.”
