Presidents Report

Hi Members & Friends,

Today we had the second of our friends and family meetings, this time at 6 Acres. Although the weather looked dreary this morning, it was great to have a little rain to keep down the dust and to spark up the plants in the garden. We do need some more rain though so hope it comes during the week as promised.

We had a wonderful day with many family and friends of our members. There was plenty of food with home made dips and lovely local bread. A lunch with roasted leg of lamb and BBQ chicken and of course the Aussie sausages along with salads including cucumber from our garden. Dessert was local mixed berries and ice-cream and Lamington Logs slices.

We had tours of the winery and the garden, vegetable picking and games of hide and seek and cricket were enjoyed. Thankyou all for coming and helping us celebrate our post Australia Day.

We have an appeal from Jean, if any members have empty jam jars could they please bring them along to our next meeting. Jean will be cooking up her wonderful Zucchini Relish from our 6 acres Zucchini and we hope to raise money for the bush fire appeal by selling the relish to members and friends. Many thanks to Jean.

Rotary Four Way Test

"Of the things we think, say or do:

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?"

I look forward top catching up with you all on Monday 18th when Ralph and I return from our break.

Many thanks
Lesley

THE OBJECT OF ROTARY

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Last Meeting & Notes

Last Meeting (20/01):

This week we had a fellowship meeting at Safety Beach which was hosted by Jim & Jean Cochrane. Jim and Jean had their yard set up for outside dining under the gazebo's and shady trees.

The club had a lovely BBQ with beef, chicken and sausages and a selection of salads with garlic bread. This was then followed up by scones with jam and cream and also fresh berries with chocolate sauce. Yum.

At the end of the day Lesley, on behalf of all who attended, thanked Jim and Jean for such a wonderful afternoon.

Meeting Notes:

- Lesley reported on the two recent Bunning's BBQ's. Both were great successes with approx \$1,200 raised on the 13th January and approx \$1,100 raised on the 19th January. The funds raised at these two BBQ's will go to the Monash Children's for more needed equipment. Lesley thanked all who provided their support over the two days.
- Lesley also reported that over the past few weeks we have been hearing of the devastating Bush fires on the East Coast of Tasmania. All district presidents were notified by DG Brian that they had organised a district fund to go directly to help the victims of these fires and our funds would be passed through the local Rotary Club to ensure it goes to where it is needed. Our board has agreed to send \$1000.00. Thankyou to the board members for their prompt agreement on behalf of the club.
- Reminder on the 9810 District Conference which will be from Friday 15th to 17th March 2013 in Wangaratta at the Performing Arts Centre. For more details on the conference you can go to the following location

Think Foundation Thoughts

January: Rotary Awareness Month

This week's Foundation Thought is about ...

Celebrating our Foundation. —Through Rotary, with the help of our Foundation, we can take on challenges that no one else has the ability or the inclination or the organizational resources to tackle. We in Rotary share what we have in a way that no one else does — with love, with kindness, and with simple generosity. — *2004-05 RI President Glenn E. Estess Sr.*

Australia Day

Australia Day (previously known as Anniversary Day, Foundation Day, and ANA Day) is the official national day of Australia. Celebrated annually on 26 January, the date commemorates the arrival of the First Fleet at Sydney Cove, New South Wales in 1788 and the proclamation at that time of British sovereignty over the eastern seaboard of Australia (then known as New Holland).

Although it was not known as Australia Day until over a century later, records of celebrations on 26 January date back to 1808, with the first official celebration of the formation of New South Wales held in 1818. It is an official public holiday in every state and territory of Australia and is marked by the presentation of

the Australian of the Year Awards on Australia Day Eve, announcement of the Australia Day Honours list and addresses from the Governor-General and Prime Minister. With community festivals, concerts and citizenship ceremonies, the day is celebrated in large and small communities and cities around the nation. Australia Day has become the biggest annual civic event in Australia.

Upcoming Events in Kingston

One Woman's Art

Thursday, 7 February 2013
9:00 AM - 5:00 PM

One Woman's Art is an exhibition which celebrates the work of local artist Margaret Gurney.

Brighton-born Gurney's life and career have been steeped in all things visual. In the 1960s, Gurney was a pioneer being one of the few female Graphic Designers and eventually Art Directors to work in the then male-dominated environs of TV. Featured in this exhibition are some rare examples of her work from that time period, including some delightful TV flip cards. Gurney's personal passion for painting Australia's landscape is also represented in this exhibition, with a selection of works that catalogue her many trips to remote locations, most recently her Kakadu series.

Gurney's multidisciplinary practice offers a unique glimpse into early TV graphic art and her paintings immerse us into the natural beauty of the Australian landscape, inviting viewers to follow the artist's creative journey through the decades.

LOCATION: Kingston Arts Centre, Nepean Highway, Moorabbin

Where other Clubs Meet

A Rotarian can attend the weekly meeting of any Rotary club around the world. This is a "make-up" and counts as attendance credit when you are not able to attend a meeting of your own club.

Details for all District 9810 clubs can be obtained in the district directory or website www.9810rotary.org.au Details for clubs around the world are available in the RI Directory (held by the club secretary) and on the RI website (www.rotary.org)

Reminders

Please ensure that the club is aware if you will be missing a meeting. Contact **Bronwen Lamond** on **0439 339 645 by 4 pm on the day of the meeting**, if you are not going to be present.

Contributions for inclusion into the Bulletin should be passed to michaele@netspace.net.au by Thursday evening of each week.

Please remember if you cannot perform your rostered job, it is your duty to find a replacement to take your place.

Joke of the Week

Adam, an elderly man, was seated in the doctor's waiting room. When he was called in to see the doctor, Adam slowly got up, and, grasping his cane and hunching over, slowly made his way into the examining room. After only a few minutes, Adam emerged from the room, walking completely upright.

Paul, another patient who had watched him hobble into the room all hunched over, stared in amazement. "That must be a miracle doctor in there!" he exclaimed. "What treatment did he give you? What's his secret?"

Adam stared at Paul and said, "Well, the doctor looked me up and down, analysed the situation, and gave me a cane that was four inches longer than the one I had been using."

Rotary's leadership considered vital to eradicating polio

By Daniela Garcia
Rotary News -- 16 January 2013

A polio-free India is proof that Rotary is able to tackle the world's most difficult health challenges, according to Bruce Aylward, assistant director-general for Polio, Emergencies and Country Collaboration at the World Health Organization (WHO).

Addressing the 2013 International Assembly in San Diego, California, USA, Aylward praised Rotary's work in bringing the world to the threshold of polio eradication, but reminded the incoming district governors that it will take their leadership to complete the job.

Aylward referred to the recent killing of health workers in Pakistan and said that WHO is working to leverage its broad support in the Islamic community to provide safety for volunteers and aid workers.

"The eradication program is continuously being put back on track," he said. "I can assure you that just as we have regrouped and restructured before, we will continue to do so in Pakistan."

Discussing the successes of the Global Polio Eradication Initiative (GPEI) — in which Rotary and WHO collaborate with UNICEF and the U.S. Centers for Disease Control and Prevention — Aylward cited India, which has not had a reported case of polio in two years. In February, WHO removed India from the list of polio-endemic countries, disproving the experts who had maintained that polio could not be eradicated there. And if continuing tests of polio cases recorded through 13 January continue to yield negative results, WHO will declare that India has interrupted transmission of indigenous wild poliovirus for the second consecutive year.

Polio remains endemic in only three countries: Afghanistan, Nigeria, and Pakistan. But because nonendemic countries remain at risk for cases imported from those three, immunization must continue everywhere to ensure that polio is eradicated worldwide.

Rotary's chief responsibilities in GPEI include advocacy, an increasingly important role in this latter stage of the campaign. In addition to contributing more than US\$1 billion to the initiative since 1985, Rotary has helped solicit over \$9 billion in support from donor governments. Such advocacy is crucial to finishing the job, as GPEI faces a funding gap of \$700 million this year. Aylward emphasized that polio eradication is well within reach, and urged Rotarians to work together to reach that goal.

"You have been given the greatest opportunity in history to end this disease," Aylward said. "We can only finish with Rotary's leadership."

Bruce Aylward, assistant director-general for Polio, Emergencies and Country Collaboration at the World Health Organization (WHO), delivers a polio update during the International Assembly 15 January. *Rotary International/Monika Lozinska*
