Presidents Report

Hello Team,

How are you all?

The last couple of weeks have sure been busy with all that Christmas and New Year celebrations. I think that I have now put on a few extra kilograms from all the good food eaten during this period.

Over the last two weeks we have had some sad news in our club with the passing of Dianne Side's mother on the 24th December and Gaye Barnes mother on the 26th December. I would like to take this opportunity to send my condolences and prayers during this sad time to all the family and friends of both Gaye & Dianne.

On the 22nd December our meeting was held back at the RSL, where we tried out a new format by having our meal in the bistro between 6:00 to 6:45pm followed by the general meeting in our normal room. I am very interested on receiving your feedback and/or improvements on this format change and how you think the night went?

Tonight we are meeting at the home of Warren & Heather Fricke for the first of our fellowship meetings during the month of January. This has been a tradition in our club for a while and gives us the chance to have our meetings in a relaxed atmosphere, with the opportunity for good fellowship.

Important dates to keep in mind are:-

12/01/09 – General & Fellowship Meeting (Venue =TBA).

19/01/09 – General & Fellowship Meeting (Venue = Bill & Dianne Sides Home).

21/01/09 – Board Meeting at Bill Sides Home. The meeting will start at 6:15pm.

26/01/09 – Australia Day celebrations and get together at the home of Heather Norling (Details = TBA).

01/02/09 – Club Forum (Venue either Mulgrave Country Club or Clayton RSL).

12/02 to 15/02/09 – Car parking at the Women's Open Golf (See Jim Cochrane for further details)

I would like to take this opportunity to wish you all and your families a Happy New Year for 2009.

That is all for now from President Michael for this week and team, keep up the good work.

Ned Brown General Manager for W.L. Sides as drilling firm was President in this year and the changeover was held at the Spring Valley Golf Club with the Mayor of Oakleigh Heather Norling and DG Elect Ray Adams attending. Foundation Awardee Jackson Stewart, President of Oakleigh George Luxford, Rotaract President Peter Durrager and incoming President John Doig. John Goldspink was awarded a Paul Harris Fellowship and Kevin Beaumont, a charter member was re-inducted into the club.

Ned's aim was to end the year with 36 members, a noble but not attained desire. Rotaract featured prominently and ran the District Rotaract conference and Youth Exchange ran again after a gap of some years. Sami Pahkala came to us from Finland and was a champion at

THE OBJECT OF ROTARY

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

Judo and actually represented Victoria at the championships coming second. He was a brilliant student. We also hosted 10 Japanese short term exchange students, 4 teachers and two Rotarians for two weeks!

1988 was Australia's Bicentennial so there was an undercurrent of activities related to it. A cup eve function was planned at Clayton Hall but was cancelled due to lack of support. Membership was not strong, but willing, but Clayton was not alone in having poor membership.

Despite that, in conjunction with the Clayton Police, we ran a Blue Light Disco through the year at the Oakleigh Hall and 10 members play Golf against Rotaract at Warburton on October 23rd and ran the Mitchell Sutherland golf at Kingston Heath on 18th October. We were still very big in golf then.

In November we ran the spinning wheel at the Oakleigh festival for two days, and the Fun Run on the 20th then on November the 26th the Clayton Festival followed by a children's Christmas party at Charles Taylor's home at Pearcedale.

\$ 1000 was raised at a party at Tom Portelli's home and we financed two wheelchairs for McCullough House and held a Christmas function there on November 28th.

The year will be especially remembered as one of fine fellowship with a visit also to Ned's Beach House at Peterborough.

Howard Pagdin passed away from Cancer on December 4th. Kevin Beaumont was proposed for District Governor but was beaten by Neil Harrison.

Polio Plus was a big push in the district, Clayton was in the top 5 clubs for district contributions overall with \$ 8323.50 total, not bad for a small club! The District Conference was at Morwell hosted by our host club Oakleigh. Membership got as low as 16, blamed mainly on recession but the Rotaract Club were reported as needing no help, they were doing better than us! The club however donated \$5000 to "Rainbows for God's Children", a group who assisted youths before they got into trouble.

Holidays

An atheist complained to a friend, "Christians have their special holidays, such as Christmas and Easter. And Jews celebrate their holidays, such as Passover and Yom Kippur. Muslims have their holidays, too."

"Every religion has holidays to celebrate. But we atheists," he said, "have no recognized national holiday. It's an unfair discrimination"

His friend replied..."Well, why don't you celebrate April 1st?"

On Holidays in Ireland

An Australian was in Ireland. On his way to Belfast, he stopped at a bar and asked one of the locals, "What's the quickest way to Belfast?" The Irishmen asked, "Are you walking or driving?" The Australian replied, "I'm driving!" The Irishman said, "Aye, that'd be the quickest way!"
