Presidents Report

Hello Team,

How are you all?

Tonight we have two exciting things happening at our meeting. First of all we have AG Keith Maxwell from the Rotary Club of Noble Park giving us a talk and presentation on his experience with Interplast. I am really looking forward to what will be an interesting presentation. Secondly tonight we have a double induction into our club. I would like to welcome our newest members, Glenys Pattison & Dianne Sides and wish them all the best as members of the Rotary Club of Clayton.

Last Friday night was the launch for the District 9810 Conference in Hobart (or was that Launceston) and tonight Jim Cochrane will be able to fill us in on all the details on what you will be able to experience when you attend the conference.

Those members who were not present at the last few meetings and have not received their Stafford's ARHRF Clothing Card, please see me tonight. For more information click the following link.

- 01/11 to 04/11 – Garage Sale at Safety Beach (Jim & Jean's Holiday House).
- 10/11 – AGM.

3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
