INTERPLAST - Club Program Directors,

Now is your time for planning an interesting and informative year for your club members.

The District 9810 Interplast Committee can offer to your club first hand information and experience of just what this national body of Volunteer Surgeons and Nurses do.

PP Ian Armstrong has just returned from Lautoka in Fiji with a story of the wonderful humanitarian work that one team has just completed for our near neighbours. Combined with the previous visit to LAOS there is now a wealth of examples to show how your hard earned dollar is effectively spent. Using Volunteer Surgeons, providing Hospital Supplies, Teaching the local Doctors the latest procedures all add to an evening of "Rotary at Work" for your club members to experience. Please add this to your club program and contact the committee via [keith t maxwell@yahoo.com.au](mailto:keith_t_maxwell@yahoo.com.au) or mobile 0418 647 064 to secure a date. Your club members will not be disappointed.

Thank you,

Keith Maxwell, D9810 Interplast Committee Chairman.

SPEAKER from THE LEPROSY MISSION AUSTRALIA

Graham Peck –CEO of The Leprosy Mission Australia is available to speak to clubs throughout our district. He has already spoken to Boronia, Box Hill, Dingley Village, and Warrandyte who I am sure would be happy to discuss Graham's presentation. Contact Graham on 9890 0577 or 0418 541 908

3rd of Dec is the Christmas Function at Pelican Pantry at Dromana for 12.30 pm for a 1pm o'clock start. Jim has booked for about 20 people.

6th October Red Face District function, Clayton table is to be yellow so be wearing your best yellow suites and dresses

Forms for Working with Children check valid for 5 year. See Bill Sides.

Board Meetings are held every 3rd Monday of the Month.

Friday 23rd and Saturday 24th February 2007 – 24 hour Rotary Club Meeting – details to be provided.

International Student Friendship Program

What is the International Student Friendship Program (ISFP)?

The Monash University International Student Friendship Program (ISFP) is a pilot project coordinated through Family and Child Care Service, University Community Services. The aim of the program is to introduce international students to local [volunteers](#) and their families for the purpose of developing cross-cultural friendships.

The ISFP provides social and practical support for international students by establishing friendships and cultural exchange. How do I volunteer? Visit the [Friendship Volunteer](#) page, for an outline on volunteering, and contact the ISFP Program Coordinator, Renee De Simone, renee.simone@adm.monash.edu.au or telephone, 9905 3156.

Why would an international student become involved? There are many benefits of joining the ISFP. Making contact with local families gives you an opportunity for social and cultural interaction. It can assist you in making the transition to life in Australia and to make the most of your time in Australia. Through the ISFP, students will get to experience Australian culture firsthand. You will also get the opportunity to practise and improve your English and may even see parts of Melbourne and Victoria that you wouldn't know about. Volunteers join the program for many reasons. They may have travelled or intend to travel overseas, they may be learning a new language or they may want to expose their children to a different culture. Volunteering is popular in Australia and some volunteers do this to contribute to the community and to promote Australia. How does the program work? Once we have received your expression of interest we will contact you to arrange an interview time.

After this time we will look for a volunteer/ family to introduce you to. You will then be invited to attend an Introduction Night where you will be introduced to your volunteer. Once you have been introduced it will be up to you and your volunteer to arrange meeting times. You and your volunteer will know what your shared interests are and this will help in planning activities together. Several times during the year the ISFP will arrange social functions for all students and volunteers. These are a great opportunity to get to know others in the program and to have a great time. What types of activities would I do with my Australian volunteer? The types of activities you and your volunteer do will depend on your interests. You may meet for a coffee, share meals together, go to the movies, go bushwalking, play a game of sport or participate in a community group activity. It will be up to you and your volunteer to decide.

President
R.C. of Clayton
Glenda Rose
Dear Glenda,

On behalf of the President and members of the Rotary Club of Mt. Waverley I have much pleasure in inviting the members and partners of the R.C. of Clayton to join us at our unique Australia Day celebration meeting on **Wednesday evening January 31st, 2007**. Our club has enjoyed the company of your members over the years, at previous joint Meetings and we sincerely hope your club is able to accept our invitation for our 2007 Rotary Australia Day celebration meeting.

The Guest Speaker and Australia Day Ambassador at this 2007 meeting will be **Mr Tony Charlton** AM PHF.

Tony's working career has been in the forefront of radio and television broadcasting in Australia for almost forty five years. He has had an extensive career as a presenter, and producer with GTV9 and 3AW, including the coverage of numerous Olympic and Commonwealth games on both television and radio. Mr Charlton was associated with the successful organisation, in league with The Age, of premier golf tournaments, World Conferences and Sporting Championships. Likewise he has been MC or Presenter at many Sports functions, Armed Forces Services, and Australian Royal Command Performances. More recently he has been host of the Australian Dance sport Championships. Tony is also associated with many major Charities, currently being Chairman of the Alfred Hospital Foundation.

In previous years our club has been fortunate to have enjoyed some fine guest speaker's and excellent, fun Rotary meetings celebrating our country Australia.

This is an early notice, but as you will appreciate early planning is needed to organise a **successful evening, particularly when there is a significant holiday period during the lead up to the** date of our unique celebration of Australia Day. Consequently I would be most pleased if you could reply with your club's decision by October 20th.

Looking forward to meeting with you on the evening of January 31st, 2007.

Yours in Rotary

Neville Wallace

Past President
Australia Day Convenor

President 2006 / 2007
Bill Klusco

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"

JOKES FOR THE WEEK

A Renowned Philosopher & His Driver

A renowned philosopher was held in high regard by his driver, who listened in awe at every speech while his boss would easily answer questions about morality and ethics.

Then one day the driver approached the philosopher and asked if he was willing to switch roles for the evening's lecture. The philosopher agreed and, for a while, the driver handled himself remarkably well. When it came time for questions from the guests, a woman in the back asked, "Is the epistemological view of the universe still valid in an existentialist world?"

"That is an extremely simple question," he responded. "So simple, in fact, that even my driver could answer that, which is exactly what he will do."

Meeting Closed 7:45pm
